8. RECOMMENDATIONS FROM STAFF FOR DECISIONS

a. Development Variance Permit Proposed Non-Medical Cannabis Retail Store Licence at 135B Market Avenue

Development, Engineering & Planning

Brief discussion included:

- Discussed variance with Dazzle Dance, a youth-oriented business within the 100-meter exclusion zone. Their only concern was about whether the storefront would be brash or subtle.
- Clarification of the procedure for notification of a variance request.
 - Staff advised that no public hearing was required for the variance, but as part of the non-medical cannabis licencing process that a public information session would be required.

Resolution #: R335/19/10/08 MOVED/SECONDED

THAT Council directs staff to proceed with the statutory requirements for public notice respecting a Non-Medical Cannabis Retail Store Licence application proposed for 135B Market Avenue, legally described as Lot 1, Plan KAP23, District Lot 108, Similkameen Division Yale District PID 012-547-441.

12. <u>LATE ITEMS</u>

Asset Management Investment Plan Update

Development, Engineering, and Planning

The Corporate Officer spoke of a meeting at UBCM with their committee regarding our Asset Management Plan. An initial quote of approximately \$25,000 to update the existing plan has been received, of which UBCM grants would cover 50%. This is considered a cost-effective way to update the plan, which was last updated in 2011.

Discussion considered:

- Purchasing policy would be followed (RFP);
- The potential for having a "different set of eyes" on the program by using a contractor who had not previously worked on our plan;
- That the current work plan has been received from Urban Systems on what would be done to update the Asset Management Plan;

 That Council's resolution is needed to apply for the UBCM grant, but an RFP would be dealt with if the grant is received.

Resolution #: R338/19/10/08 MOVED/SECONDED

THAT Council approve application for the UBCM Asset Management Planning Program grant to update the City's Asset Management Investment Plan and include the City's portion of \$12,500 in the 2020 financial plan.

Carried

b. Fire Department Grant Endorsement

The Fire Department is pursuing a UBCM grant to replace the industrial washing machine at the Fire Hall with a Washer/Extractor specifically designed for decontaminating firefighter protective clothing. The grant would fully fund the cost of the machine.

Resolution #: R339/19/10/08 MOVED/SECONDED

THAT Council endorse the grant application to UBCM for the purchase of a Turn-Out Gear washer/extractor and dryer and directs Staff to provide a letter of support.

Carried

- 13. ITEMS RELEASED FROM IN-CAMERA
- 14. QUESTIONS FROM THE PUBLIC AND THE MEDIA
- 15. ADJOURNMENT

The October 7, 2019, Regular Meeting was adjourned at 7:22 pm.

Resolution #: R340/19/10/08 MOVED/SECONDED

RESOLVED THAT the Regular Meeting be adjourned.

Request for Decision

To: Regular Meeting

From: Procedure Bylaw / Corporate Services

Date: October 21, 2019

Subject: Reports, Questions and Inquiries from the Members of Council

Recommendation: THAT all reports by members of Council be received.

Background

Under the City's Procedures Bylaw No. 1946, 2013, the Order of Business permits the members of Council to report to the Community on issues, bring community issues for discussion and initiate action through motions of Council, ask questions on matters pertaining to the City Operations and inquire on any issues and reports.

Benefits or Impacts

General

The main advantage of using this approach is to bring the matter before Council on behalf of constituents. Immediate action might result in inordinate amount of resource inadvertently directed without specific approval in the financial plan.

Strategic Impact

Community Engagement

• Members of Council may ask questions, seek clarification and report on issues.

Policy/Legislation

Procedure Bylaw No. 1946, 2013

Recommendation

THAT all reports by members of Council be received.

Options

- 1. THAT Council accepts the report.
- 2. THAT Council does not accept the report.

October 15, 2019

To Mayor and Council

Many street lights and twinkle lights in the trees on Market Avenue are not working. This is a security issue. Well-lit spaces prevent undesirable behavior and encourage crime prevention through environmental design. We are requesting this lighting to be fixed by November 30th.

We would like to try a pilot project that would see the store fronts and awnings of the buildings along Market Avenue lit with lights similar to those in the trees. This would increase security and promote more pedestrian traffic downtown after dark. The increased lighting will add vibrancy to the Market district. Store and building owners will be encouraged to purchase lighting to adorn the store fronts using colors that are fitting with the city's current theme. The challenge is that most buildings do not have outside receptacles to plug lights into. We are asking that the lights be plugged into the receptacles on the trees and posts in front of the buildings.

On the corner of Market and 3rd there are safety concerns regarding the tree that is leaning due to the flooding last year. The roots are protruding and heaving the bricks which create a tripping hazard. We would like the city to look into either remove and replace or straighten and anchor the tree.

The sitting area on the North West corner of Market and 3Rd attracts undesirable behavior. The planters act as a barricade. We are requesting that the planters and benches be removed to open the area up and make it safer for pedestrians. The surrounding businesses will provide benches in front of their buildings fitting with the Roger Brooks plan.

Thank you,

Grand Forks DBA board of Directors

Memo

To: Regular Meeting From: Financial Services

Date: 2019-10-21

Subject: Quarter 3 2019 Financial Reports

Background

The financial reports for the period ending September 30, 2019 are enclosed here for Council's review. These include a balance sheet, statements of revenues, expenditures and capital expenditures, and a reserve continuity schedule. The budget amounts used in these reports are those of the amended budget adopted by Council on October 7, 2019.

These statements have been prepared on essentially a cash basis, as staff does not normally accrue or defer revenues or expenses for interim financial reporting periods. Consequently, the timing of receipts or invoices may be a factor in whether certain revenues and expenses are captured during the current quarter.

The cutoff date for the bi-monthly utility billing was mid-August, with seven and a half months of customer water and electricity usage revenue represented here. Some revenues, notably franchise fees and business licences are invoiced in January and thus reflect the full annual amount of income. Tax revenues have also been recorded in full for the year; any changes between now and year-end will result from the issuance of supplementary tax assessments. Slag revenues represent sales to the end of August only, as the September billing quantities have not yet been received.

The cost of purchased electricity for resale does not include the September charges, and thus represents only eight months of expense. Labour costs included in the various operating expenses are current to the pay period ending September 14.

Capital expenditures, which include invoiced amounts only, totalled \$2,514,727 for the year to date. In addition to this, \$2,938,290 of purchase orders were outstanding at the end of September, representing work in progress or completed work not invoiced prior to quarter end. More than \$2.5 million of this committed amount was for the wastewater treatment plant upgrade and ultraviolet disinfection projects.

During the third quarter, the final cash payment was made towards the 2008 road system improvements borrowing under Loan Authorization Bylaw 1863. Annual payments of principal and interest on this loan were \$62,295.

Benefits or Impacts

General

The quarterly financial reports provide information about the City's financial performance relative to the annual budget.
