

Avalon Gardens & Gifts  
283 Market Avenue  
Grand Forks, BC

Dear Honourable Mayor and Grand Forks City Counsel,

I am writing to request the use of 2 parking spot located in front of 283 Market Avenue, from May 1st through October 1st of 2022.

Avalon Gardens will be using this location to display inventory under tents that will be set up and taken down congruent to our operating hours.  
Monday-Saturday 10am-4pm (subject to changes).

Maintenance of the site will be performed daily: garbage removal, sweeping and when necessary hosing down. For safety purposes we will have No Parking signs clearly displayed

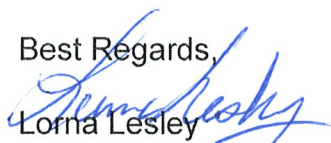

<https://www.costway.ca/6-pack-34-traffic-delineator-poles-with-5ft-chains-and-fillable-base.html?piid=9211000>

If you require a baricade, we can do something like the picture above during the day, but we prefer to remove everthing at the end of the day so that we don't take up parking spaces that the Gem Theatre might need in the evening.

We have had success with the afore mentioned set up in previous years and appreciate the feedback we have received. Locals and tourists alike have commented on what an addition it is to have all the flowers and plants displayed outside!

Thank you for your consideration.

Best Regards,

  
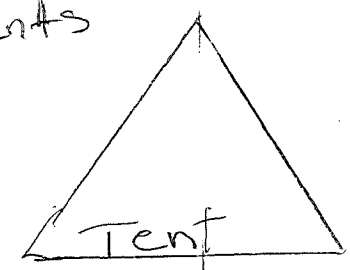

Lorna Lesley  
Owner/Operator
