

— CITY OF GRAND FORKS STRATEGIC PLAN REVISED 2022 —

The City of Grand Forks is committed to providing quality governance and excellent services that enhance and advance the quality of life for our community

EMERGING CITY:

We create amazing opportunities for developing the City

- Revise and Update the City of Grand Forks Official Community Plan
- Support Initiatives to Revitalize, Beautify, and Improve Grand Forks
- Implement Measures to Mitigate Future Flooding

COMMUNITY SERVICE:

We provide opportunities to create the best Grand Forks

- Develop a Strategy for Managing Social Service Issues
- Support the Construction of the Grand Forks Community Centre
- Review Animal Control Opportunities

ECONOMY:

We attract and retain sustainable businesses that provide a strong economic future

- Work towards Attracting a Franchise Hotel Development
- Continue implementing the Grand Forks Marketing Strategy
- Capitalize on Land Use Opportunities Created by the DMAF Program

PUBLIC SERVICE:

We provide outstanding service to provide best value to the community

- Develop and Implement a City-owned Real Estate Strategy
- Conduct a Formal Review of the City of Grand Forks Developmental Services Processes and Procedures

VALUES:

In addition to strategic goals, Council will be guided by these values:

- Water Conservations / Drought Preparedness
- Celebrating Community Groups
- Creating Opportunities to Increase Affordable Housing
- Enabling Expansion of the Sanitary Sewer System to Allow More Homes to Connect
- Prioritizing Asset Management and Replacement
