

Report to Council, March 27, 2023

To: Mayor and Council
Deborah Lafleur, Councillor

March 8 – 10th I along with several other Council members attended The LGLA Conference In Kimberley, BC. I found this to be quite informative, educational, and there were a couple of the speakers were very interesting.

March 16th attended an in Camera Council Meeting.

I did had planned on attending the Boundary Museum AGM, but due to a fall I have just prior to leaving Kimberley – I was not able to attend.

On March 20th I attended the Grand Forks Library Board meeting and then later the same day I attended the Grand Forks Community Trails Society Meeting.

Respectfully submitted.
