Subject: Music in the park 2018

Just getting the ball rolling on the 2018 season of Music in the Park.

Last year the city contributed \$1450 to help make it happen, I am asking the city again for \$1450 to be used in the following manner:

\$100.00 For each event to pay the act (Season total \$900.00)

\$50.00 For each event to be giving to the provider of the sound system (Season total \$450.00)

\$50.00 For posters for the season

\$50.00 For the coordinator for the season

The City's support of \$1450.00 would be greatly be appreciated to help improve and continue this great family event!

Your continued support is greatly appreciated

Thanks

Zak Eburne Stoodley
