

Development within this designation may occur up to a maximum of 60 units per hectare.

Highway & Tourist Commercial (HT)

- Within this designation, automobile oriented tourist services areas for visitors and residents are encouraged and focused along Central Avenue/Highway #3. Development will consist primarily of commercial and institutional uses. Some residential development may occur where appropriate.

Heritage Corridor (HC)

- This designation is located along Central Ave/Highway #3, immediately west of the Core Commercial area of Grand Forks.

Light Industry (LI)

- This designation is located in strategic locations in Grand Forks, including in the northwest along Donaldson Drive, in the northeast along Granby Road and in the southeast along Sagamore Ave. This designation includes light industrial uses and service commercial uses that can be developed in a manner compatible with adjacent uses.

Heavy Industry (HI)

- Located in the northeast along Granby Road and south of the Kettle River, this designation supports the continued use and development of heavy industrial activities, such as lumber production, log storage and other associated industrial uses.

Institutional (IN)

- Institutional land uses within Grand Forks are located throughout the community. Over time, the types of institutional uses have evolved with the growth and maturation of the community and it is

anticipated that the demand for these types of uses will continue to increase.

Hillside & Resource District (HR)

- Within Grand Forks, this designation is applied to those parts of the City which are largely undeveloped and lacking municipal services, or located on slopes greater than 20%. These areas are generally located along the eastern boundary of Grand Forks and are not to be urbanized until municipal services can be made available, once infilling and densification of other areas has occurred.

Environmental Resource District (ER)

- The Environmental Resource District designation applies to an area located in the northwestern area of the community. Although the ER designation generally allows for uses and densities within the Low Density Residential (LR) designation, this area acknowledges the groundwater and floodplain conditions associated with these lands. Any development in this area will require an Environmental Development Permit to ensure that steps are taken to address the potential groundwater conditions and/or flood hazard.

Park & Open Space (PK)

- This designation encourages recreation and transportation opportunities for local residents and captures the beauty and setting of natural areas, parks and open spaces and trails throughout Grand Forks and along the Kettle and Granby Rivers.

In addition, the form and character of the community is guided by the objectives outlined in a number of Development Permit (DP) Areas. These DP areas are
