

Request for Decision

To: Regular Meeting

From: **Manager of Development and Engineering Services**

Date: October 16, 2017

Subject: Housing First Homeless Initiative Partnership and Funding Opportunity.

Recommendation: **RESOLVED THAT Council have the City submit the letter in support of the application by the Boundary Women's Coalition to the Homelessness Partnering Strategy Rural and Remote funding program.**

Background

- The City is facing challenges with rising numbers of people experiencing homelessness and associated mental health and addiction issues.
 - A new partnership opportunity is developing to implement a 'Housing First' intervention program, with a potentially significant role for the City with regards to planning supports, program development.
 - The Boundary Women's Coalition is applying for funding to develop a Housing First initiative in Grand Forks. The Coalition has requested the City to be a partner in the initiative and provide a letter of support to the funder committing the City's in-kind support to:
 - Participation by representation of Council and/or staff on a multi-agency committee to develop the program
 - Liaising with Boundary local governments and engaging the public regarding the initiative
 - Implementation of community planning tools to increase affordable rental housing stock (currently underway with Official Community Plan and Zoning Bylaw amendments)
 - Consideration of providing land and/or resources to partners in the Housing First initiative, as appropriate and at the discretion of Council.
 - A draft of the letter of support will be provided to Council by the meeting.
-

Benefits or Impacts

Strategic Impact

-  Decisions regarding provision of land or resources in support of affordable housing will be fiscally prudent and will consider impacts on infrastructure and asset management.
-  Provision of affordable rental housing will support economic growth by enabling families and individuals to remain in the community.

Request for Decision

- This initiative is built on City-led community engagement regarding affordable housing and community-led (i.e. Phoenix Foundation) engagement events and studies.
- Enabling and supporting a Housing First intervention for individuals experiencing homelessness will enable a better life for those individuals and will ease community concerns around homelessness.
