

Request for Decision

To: Committee of the Whole
From: **Deputy Corporate Officer**
Date: March 11, 2019
Subject: Parks and Public Spaces Access Bylaw
Recommendation: **THAT the Committee of the Whole forwards the proposed bylaws 2057, 1682-R, and 1959-R to the Regular Meeting on March 25 for consideration.**

Background

As part of the preparation for Bylaw 2056, the existing Park Access Bylaw needed some small adjustments.

Prior amendments have been consolidated, certain archaic language and formatting has been cleaned up, and exemptions for Emergency Services and City employees in the course of their duties are more clearly spelled out in the new revision.

Bylaw 1682 (Off-Highways Vehicle Regulation) was made redundant with the addition of a few words to the Park Access Bylaw, and was therefore merged into the new Park and Public Spaces Access Bylaw, and subsequently linked to the Municipal Ticket Information Bylaw as well.

The attached bylaw 2057 replaces the existing Park Access Bylaw No. 1959, and the attached bylaw 2058 repeals the Park Access Bylaw No. 1959 and amendments, and the attached bylaw 2059 repeals the Off-Highways Vehicle Regulation Bylaw No. 1682.

Benefits or Impacts

General

Strategic Impact

Policy/Legislation

Removes archaic language in the preceding Bylaw, merges bylaws reducing the number of active but redundant bylaws being maintained, and brings more bylaws under the Municipal Ticket Information bylaw.
