Grand Forks competes at darts

Castlegar’s Legion darts team will be headed to provincials this March after a successful performance at the zone dart competition in Grand Forks last weekend.

The annual West Kootenay Zone Dart playoffs were hosted by the Royal Canadian Legion (RCL) Branch 59 (Grand Forks). This year, RCL Branch 170 (Castlegar) and RCL Branch 51 (Nelson) joined Grand Forks to compete to see who would represent

West Kootenay Zone 20 at provincials. The morning started off with singles play where six players, two from each branch squared off against each other. The winner in this category was Jim Talbot from Grand Forks. The doubles contest was next, with two teams from each branch. Overall winners were Jim Talbot and Gunter Bohm from Grand Forks. Finally it was time for team play, with one team from each branch competing. Castlegar beat out the other two teams to qualify for provincials. Zone Sports Officer Bob Brommeland from Castlegar and Sports

Officer John LePage from Grand Forks organized and ran the tournament with the help of statisticians Louise Lynch and Steve McGibbons. Thanks to all the volunteers that assisted during the competition, to Helen LePage for baking delicious muffins, to the Ladies Auxiliary from Branch 59 for a wonderful lunch, the onlookers who cheered on the competitors and all the participants who came out to share their skills. Good luck to all the winners who now advance to provincials set to be held in West Kelowna this March.

Check out kids’ eBooks at the library

I know that most parents are trying to cut back on their kids’ screen time, but I have a good reason to let them stay on the computer or tablet for just a little bit longer.

Starting this year, the Grand Forks and District Public Library has started subscribing to TumbleBooks! It’s a big collection of eBooks, audiobooks, animated books, and more for kids – all accessible through our website. Unlike our adult eBooks, which require a fairly complicated process to log in and download, TumbleBooks is available with just a few clicks through our website, and all titles on the service are always available – no waiting for holds! It’s a great resource to help kids master reading with the animated read-along storybooks, and it also has more

advanced chapter books available as their skills progress. It’s super fun for families to use together, but is just as fun for kids to navigate solo, and there’s an awesome range of titles from brand new books to well-loved classics.
