Statement of Financial Information Approval Management Report Audited Financial Statements Statement of Changes in Financial Position for the Capital Fund Schedule of Debt Schedule of Guarantee and Indemnity Agreements Statement of Severance Agreements Schedules of Remuneration and Expenses Schedules of Supplier and Grant Payments Reconciliation of Supplier Payments

### STATEMENT OF FINANCIAL INFORMATION APPROVAL

The undersigned, as authorized by the Financial Information Regulation, Schedule 1, subsection 9(2), approve all the statements and schedules included in this Statement of Financial Information, produced under the *Financial Information Act*.

Brian Taylor, Mayor On behalf of Council

Date: \_\_\_\_\_

Juliette Rhodes, CPA, CGA Chief Financial Officer

Date: \_\_\_\_\_

### **MANAGEMENT REPORT**

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with generally accepted accounting principles or stated accounting principles, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Mayor and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control, and for reviewing and approving the audited financial statements and supplementary schedules contained in this Statement of Financial Information.

The external auditors, KH Burch Kientz Inc., conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the Act. Their examination includes a review and evaluation of the corporation's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

On behalf of The Corporation of the City of Grand Forks

### **Management Report**

Management is responsible for the preparation of the accompanying financial statements. The financial statements have been prepared in accordance with the accounting principles disclosed in note 2 to the financial statements, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the notes to the financial statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management has established and maintained a system of internal accounting controls which are designed to provide reasonable assurance that assets are safeguarded, transactions are authorized and recorded properly, and reliable financial information is produced.

The independent external auditors, KH Burch Kientz Inc., have conducted an independent examination in accordance with Canadian auditing standards and expressed their opinion in the accompanying report.

STRENGTH IN NUMBERS

### INDEPENDENT AUDITORS' REPORT

To the Mayor and Council of The Corporation of the City of Grand Forks

### **Report on the Financial Statements**

### Opinion

We have audited the financial statements of The Corporation of the City of Grand Forks (the City), which comprise the statement of financial position as at December 31, 2018, and the statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the City as at December 31, 2018, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other Information

Management is responsible for the other information. The other information comprises the information, other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the City's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the City or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the City's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the City to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Grand Forks, British Columbia May 10, 2019 KH Burch Kientz Inc. CHARTERED PROFESSIONAL ACCOUNTANTS

The accompanying notes are an integral part of these financial statements

### For the year ended December 31, 2018

The notes to the financial statements are an integral part of these statements. They explain the significant accounting and reporting policies and the principles that form the basis of these financial statements, as well as providing supplementary information and explanations which cannot be conveniently integrated into the statements.

### 1. Nature of Entity

The Corporation of the City of Grand Forks ("the City") was incorporated in 1897 under the Municipal Act (now a combination of the Community Charter and the Local Government Act), a statute of the Province of British Columbia. Its principal activities include the provision of local government services to the residents of the incorporated area. These services include protective, community planning, transportation, recreational, solid waste collection, water, wastewater and electrical services.

### 2. Significant Accounting Policies

### Basis of Presentation

The financial statements are the responsibility of and are prepared by management in accordance with Canadian Public Sector Accounting Standards and prescribed by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada.

The City's operations and resources are segregated into various funds for accounting and financial reporting purposes, with each fund treated as a separate entity with responsibility for the assets allocated to it. Inter-fund transactions and balances have been eliminated in the preparation of these financial statements.

The City's funds are classified as follows:

i) Operating Funds

These funds include the general, electrical, water, and wastewater operations of the City, and are used to record the operating costs associated with providing those services.

ii) Capital Funds

The capital funds record the acquisition costs of various capital assets and financing related to these assets. They include the general, electrical, water, and wastewater capital funds.

iii) Reserve Funds

Under the Community Charter, City Council may, by bylaw, establish reserve funds for specific purposes. Money in a reserve fund and the interest earned thereon must be used only for the purpose for which the fund was established. If the amount in a reserve fund exceeds the amount required, City Council may, by bylaw, transfer all or part of the balance to another reserve.

iv) Trust Funds

These funds hold cash assets that must be used for specific purposes and/or beneficiaries according to agreements or legislated requirements. The City administers trust funds for its Employee Assistance Program, Slag Remediation, and Cemetery Care Fund. In accordance with public sector accounting standards, trust funds administered by the City are not included in the City's financial statements, other than as disclosed in Note 21.

### Budget Figures

The budget figures are from the 5-Year Financial Plan Bylaw, No. 2045 which was adopted on April 9, 2018. Subsequent budget amendments adopted by Council have not been included in these financial statements.

#### For the year ended December 31, 2018

#### **Revenue Recognition**

Taxation revenues are recorded upon issuance of the annual property tax notices in May. Revenues from the sale of services and user fees are recognized when the service or product is provided by the City. Franchise and other revenues are recorded as they are earned and measurable. Amounts that have been received in advance of services being rendered are recorded as deferred revenue until the City fulfills its obligations related to the provision of those services.

Transfers from other governments are recognized as revenue in the period that the transfer is authorized, eligibility criteria have been met, and a reasonable estimate of the amount can be made. If transfer agreements contain stipulations that would give rise to obligations which meet the definition of a liability, revenue is deferred and recognized as the stipulations are met.

Insurance proceeds are recognized when the amount of recovery is determinable and there is a high degree of certainty with respect to the receipt of funds.

Investment income is recorded on the accrual basis and recognized when earned.

#### Deferred Revenue

Funds received for specific purposes which are externally restricted by legislation, regulation or agreement and are not available for general municipal purposes are accounted for as deferred revenue. The associated revenue is recognized in the year in which it is used for the specified purpose.

#### Expenses

Expenses are generally recognized as they are incurred based upon receipt of the goods and services and/or a legal obligation to pay is established.

### Financial Instruments

The City's financial instruments consist of cash, deposits, accounts receivable, accounts payable and accrued liabilities, and short and long-term debt.

#### Inventories for Resale

Inventories for resale consist of aviation fuel which is held at the lower of historical and replacement cost, using a weighted average basis.

#### Land Held For Resale

Land held for resale is recorded at cost, including transaction fees directly attributable to the acquisition and improvements to prepare the land for sale. Donated land for resale has been recorded at a nominal value where its historical value is unknown.

#### Lease Receivable

Leases receivable are initially recorded at cost. Valuation allowances are made when collection is in doubt. Interest revenue in relation to the lease is recorded at the time it is received.

#### Liability for Contaminated Sites

Contaminated sites are a result of contamination being introduced into air, water or sediment of a chemical, organic or radioactive material or live organism that exceeds the maximum acceptable concentrations under an environmental standard. A liability for remediation of contaminated sites is recognized when all of the following criteria are met:

### For the year ended December 31, 2018

- i. an environmental standard exists;
- ii. contamination exceeds the environmental standard;
- iii. the City is directly responsible or accepts responsibility, and a reasonable estimate of the amount can be made.

The liability includes costs directly attributable to remediation activities including post remediation operations, maintenance and monitoring.

### Inventory of Parts and Supplies

Inventories held for consumption include materials and repair parts held for use by the electrical utility, fuel for consumption and other items used in operations, and are valued at the lower of cost or net realizable value.

### Tangible Capital Assets

Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset, but excluding interest. The cost of tangible capital assets is amortized on a straight-line basis over the estimated useful life of the asset as follows:

General Capital Fund	Estimated Useful Life
Land	Not amortized
Land Improvements	20 - 50 years
Buildings	40 - 50 years
Engineering Structures	10 - 50 years
Machinery & Equipment	3 - 25 years
Vehicles	8 - 40 years
Electrical System Capital Fund	
Electrical infrastructure	5 - 40 years
Water System Capital Fund Water infrastructure	10 - 50 years
Wastewater System Capital Fund Wastewater infrastructure	10 - 50 years

Donated tangible capital assets are recorded at their fair value at the date of receipt.

Work in progress, which represents capital projects under construction but not yet completed, is not amortized until construction is complete and the asset is available for productive use.

Tangible capital assets that are demolished or destroyed are written off.

### Long-Term Debt

Outstanding long-term debt is reported net of applicable sinking fund balances.

### Debt Charges

Interest on debt is charged to current operations. Interest charges are accrued for the period from the date of the latest interest payment to the end of the year.

### For the year ended December 31, 2018

### Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the reported amounts of revenues and expenses during the financial reporting period. Significant areas requiring the use of estimates include the determination of accrued payroll liabilities and employee future benefits, tangible capital asset useful lives and amortization expense, amounts receivable from insurance, and provisions for contingencies. Actual results could differ from management's best estimates as additional information becomes available in the future.

### 3. Cash

Cash is comprised of unrestricted cash for operations and restricted cash for reserve funds and deferred development cost charges which are held in segregated accounts.

Destricted as a	2018	2017
Restricted cash Statutory Reserves Restricted Revenues (see Note 12)	\$ 6,295,814 552,362	\$ 6,637,989 526,437
	6,848,176	7,164,426
Unrestricted cash	5,402,480	4,068,508
Total cash	\$ <u>12,250,656</u>	\$ 11,232,934

### 4. Operating Line of Credit

The City has an operating line of credit with Grand Forks Credit Union for an authorized amount of \$2,000,000, bearing interest at the base lending rate less 0.5%. At December 31, 2018, the balance outstanding on the operating line of credit was nil (2017 - nil).

### 5. Accounts Receivable

Accounts receivable are recorded net of allowances and comprise the following:

	2018	2017
Property taxes	\$ 736,149	\$ 844,956
Utility accounts receivable	1,538,534	1,373,347
Due from other governments	933,439	308,356
Trade and other receivables	706,129	55,315
	<u>\$ 3,914,251</u>	\$ 2,581,974

### 6. Municipal Finance Authority Debt Reserve Fund

The Municipal Finance Authority (MFA) provides capital funding for regional districts and their member municipalities through the issuance of debenture debt. The Debt Reserve Fund established by the Municipal Finance Authority is security held in trust to meet its obligations to debenture holders.

### For the year ended December 31, 2018

Municipalities sharing in the proceeds of a debt issue are required to contribute certain amounts to the debt reserve fund in the form of cash withheld from the loan proceeds and a non-interest bearing demand note. Monies paid into the Debt Reserve Fund are obligations of the Municipal Finance Authority and are refunded, with interest, upon maturity of the debt.

Only the cash portion of MFA deposits is included as a financial asset. The demand notes are contingent in nature and not reflected in the financial statements.

The details of the cash deposits and demand notes at year end are as follows:

	Demand Notes	Cash Deposits	2018	2017
General Fund Wastewater Fund	\$28,501 52,184	\$    7,458 24,492	\$   35,959 76,676	\$ 35,800 76,154
	\$ 80,685	\$ 31,950	\$ 112,635	\$ 111,954

#### 7. Lease Receivable

The City has entered into a long-term capital lease agreement with the Regional District of Kootenay Boundary for the lease of a building and lands. The term of the agreement is 12 years commencing August 1, 2010, with annual payments of \$27,000 including interest at 4.65%. Interest of \$4,318 (2017 - \$5,326) was received during the year.

#### 8. Accounts Payable and Accrued Liabilities

Accounts payable and accrued liabilities comprise the following:

	2018	2017
Wages and benefits	\$ 516,561	\$ 441,220
Trade payables	2,030,923	1,059,342
Other taxing authorities	154,089	169,149
Accrued interest	10,946	12,580
	\$ 2,712,519	\$1,682,291

### 9. Employee Future Benefits

The City provides sick leave and certain other benefits to its unionized employees upon retirement. The liabilities and expenses for post-employment sick leave benefits are recognized in the financial statements in the period in which they are earned, and as at the end of 2018 are fully accrued to the level of the employees' current accumulated entitlement. These amounts will require funding in future accounting periods as cash payments are made to employees retiring from service.

Expenses for management sick time are not accrued, but recognized at the time they are paid.

#### **10. Deferred Revenues**

The City records deferred revenue for funds received in advance of services being rendered. These amounts are shown as liabilities until the services are rendered or related costs are incurred.

For the year ended December 31, 2018

### **Deferred Revenues**

	Balance, Beginning of Year	Contributions Received/ Returned	Revenue Earned	Balance, End of Year
Prepaid taxes	276,213	310,080	(276,213)	310,080
Prepaid utilities	45,427	52,334	(45,427)	52,334
Library maintenance contract	31,558	13,000	(8,667)	35,891
Grants	35,728	822,825	(575,180)	283,373
Deposits and other	79,110	(54,940)	(19,830)	4,340
	468,036	1,143,299	(925,317)	686,018

#### 11. Temporary Loan

In 2012, the City completed the approval process for two long-term loans of up to \$1,300,000 and \$4,200,000 with the Municipal Finance Authority for the capital funding of emergency water supply for fire flow protection and renewal of road, water, and wastewater infrastructure.

The City passed temporary borrowing bylaws for these loans, authorizing interim financing with the Municipal Financing Authority up to the total amount of the loans. These interim loans are demand, non-revolving loans, bearing daily interest at a floating rate which is currently at approximately 2.48% per annum. As security, the City has issued promissory notes which require the repayment of principal by September 30, 2019, should the interim loans not be converted to long-term debt prior to that date.

	Authorized	Balance, Beginning of	Principal	Additional	Balance	Interest	Payments
	Amount	Year	Repayment	Drawdown	End of Year	2018	2017
Bylaw 1950	\$ 1,300,000	352,183	(18,536)	70,390	404,037	7,740	5,726
Bylaw 1998	\$ 4,200,000	1,020,611	(53,717)	573,349	1,540,243	22,459	13,627
	\$ 5,500,000	1,372,794	(72,253)	643,739	1,944,280	30,199	19,353

### 12. Deferred Development Cost Charges (DCCs)

Pursuant to the provisions of the Local Government Act, development cost charges are held in separate reserve funds for the purpose for which the charges have been imposed. When the related costs are incurred, the DCCs are recognized as revenue. Due to the restrictive nature of these funds, they are shown as liabilities.

	2018	2017
Balance, beginning of year	\$ 526,437	\$ 515,399
Contributions from developers	15,708	4,812
Interest on investments	10,217	6,226
Balance, end of year	\$ 552,362	\$ 526,437

### For the year ended December 31, 2018

The balance of deferred development cost charges comprises the following:

	2018	2017
Water development cost charges	\$ 198,952	\$ 187,277
Wastewater development cost charges	350,896	336,693
Parkland development cost charges	2,514	2,467
	\$ 552,362	\$526,437

#### 13. Long-Term Debt

The City has financed certain capital expenditures by means of long-term debenture debt obtained from the Municipal Finance Authority through the Regional District of Kootenay Boundary. These loans range in term from ten to twenty years, with maturity dates from 2019 to 2033. The terms of the loan agreement require the City to provide security in the form of demand notes payable to the MFA and to deposit cash representing 1% of the gross proceeds into a debt reserve fund (see note 6).

The City has also funded the purchase of assets through the MFA's equipment financing program, which takes the place of the former MFA leasing program. This debt consists of a five-year loan payable in monthly installments at a variable interest rate based on the monthly Canadian Dealer Offered Rate. The City has signed a promissory note payable to the MFA as security for this loan.

	Current Interest Rate	Term	Maturity	Balance, Beginning of Year	Pa	ayments of Principal	Actuarial Adjustment	Balance, End of Year	2018 Interest
<b>General capital fund</b> Roads Bylaw 1863; MFA Issue #106	4.13%	10 yrs	2019	\$ 116,269	\$	41,646	\$ 15,349	\$ 59,274	\$ 20,650

Assets under construction	 2,048,208	 1,524,188
	6,204,294	5,428,037
Total Tangible Capital Assets	\$ 29,571,809	\$ 28,510,664

### For the year ended December 31, 2018

### **15.** Accumulated surplus comprises the following:

	2018	2017
Operating Fund	\$ 5,261,329	\$ 5,296,365
Statutory Reserves		
Capital	3,974,336	4,221,839
Community works gas tax	736,243	606,204
Slag sales	718,584	529,716
Equipment replacement	60,153	326,439
Land sales	469,740	250,698
Water capital	269,536	97,645
Electrical capital	1,050,990	50,011
Climate action	30,159	38,959
Wastewater capital	46,562	16,248
Cash in lieu of parking	 4,272	4,191
	\$ 7,360,575	\$ 6,141,950
Non-Statutory Reserves		
Election reserve	-	25,000
Fire department - EOC reserve	 13,308	11,330
	\$ 13,308	\$ 36,330
Investment in Non-Financial Assets		
Investment in capital assets	25,754,149	24,979,337
	\$ 38,389,361	\$ 36,453,982

### 16. Property Tax Revenues

Municipal taxation revenues comprise the following:

	2018	2017
Property taxes	\$ 3,805,740	\$ 3,693,713
Parcel and frontage taxes	161,047	161,484
1% utilities tax	99,895	102,534
Grants and payments in lieu of taxes	16,626	16,649
	\$ 4,083,308	\$ 3,974,380

For the year ended December 31, 2018

### 17. Sale of Services

	2018	2017
Electrical utility user fees	\$ 5,606,109	\$5,141,344
Water utility user fees	942,198	910,387
Wastewater utility user fees	897,740	887,342
Slag sales	199,426	215,208
Solid waste collection	230,116	233,845
Cemetery	23,461	36,196
Airport (net of cost of fuel sold)	41,167	28,778
Campground fees	6,717	59,107
Sundry and other	18,480	12,237
	\$ 7,965,414	\$ 7,524,444

### **18. Other Revenues**

	2018	2017
Insurance recoveries	\$ 1,129,289	\$-
Penalties and interest	104,165	111,765
Leases and rentals	104,907	105,919
Licences and permits	69,799	58,488
Donations and grants	57,165	58,464
Franchise fees	63,958	54,049
Other recoveries	14,483	29,847
Other revenues	21,727	10,449
	\$ 1,565,493	\$ 428,981

### **19. Government Transfers**

In 2018 the City received and recorded the following transfers from other governments:

	2018	2017
Operating transfers		
Federal	\$-	\$ 100,000
Provincial	1,202,301	707,615
Regional	282,875	226,179
	\$ <u>1,485,176</u>	\$ 1,033,794
Capital transfers		
Federal	\$ 284,278	\$ 222,942
Provincial	649,164	1,220,524
	\$ <u>933,442</u>	\$ 1,443,466
Total government transfers	\$ <u>2,418,618</u>	\$ 2,477,260

For the year ended December 31, 2018

#### 20. Reconciliation to Budget

The following reconciles the balanced statutory budget adopted by Council on April 9, 2018 with the budgeted surplus reported on the statement of operations and accumulated surplus:

•	rplus as per the statement of operations nulated surplus	\$ 5,163,093
Add:	Budgeted amortization expense Budgeted transfer from reserves Debt proceeds	1,867,611 3,005,929 1,484,854
Subtract:	Debt principal repayments Tangible capital asset expenditures	(324,105) (11,197,382)
Surplus as	per Financial Plan Bylaw No. 2045	\$ -

### 21. Trust Funds

Funds held in trust and administered by the City, which are not included in these consolidated financial statements, include the following:

Fund Balance	2018	2017
Cemetery Care Fund Employee Assistance Program	\$ 167,472 8.879	\$ 160,722 8,115
Slag Remediation Trust	20,569	20,185
	\$ 196,920	\$ 189,022

### 22. Liability for Contaminated Sites

Management has prepared an inventory of sites that are no longer in productive use. These sites have been evaluated by management to be at low risk of contamination exceeding applicable environmental standards which would require remediation. Therefore, no liability has been recognized and included in these financial statements.

### 23. Contingent Liabilities

### **Regional District of Kootenay Boundary**

Under the provisions of the *Local Government Act*, Regional District debt is a direct, joint and several liability of the Regional District and each member municipality including the City. The loan agreements with the Municipal Finance Authority provide that if at any time the scheduled payments provided for in the agreements are not sufficient to meet the Authority's obligation with respect to such borrowing, the resulting deficiency becomes the liability of the member municipalities.

### Legal Actions

The City is currently engaged in certain legal actions, the outcome of which is not determinable at this time. Accordingly, no provision has been made in the accounts for these actions. The amount of loss, if any, arising from these actions will be recorded in the accounts in the period in which the loss is realized.

For the year ended December 31, 2018

### **Pension Liability**

The City and its employees contribute to the Municipal Pension Plan (a jointly trusteed pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2017, the plan has about 197,000 active members and approximately 95,000 retired members. Active members include approximately 39,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent valuation for the Municipal Pension Plan as at December 31, 2015, indicated a \$2,224 million funding surplus for basic pension benefits on a going concern basis. As a result of the 2015 basic account actuarial valuation surplus and pursuant to the joint trustee agreement, \$1,927 million was transferred to the rate stabilization account and \$297 million of the surplus ensured the required contribution rates remained unchanged.

The City paid \$294,123 (2017 - \$280,464) for employer contributions to the plan in fiscal 2018.

The next valuation will be as at December 31, 2018, with results available in 2019.

Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plan.

### 24. Commitments

The City has entered into an agreement with School District No. 51 for the latter to provide technical and operational support for the City's computer and telephone network systems. Under the terms of the agreement, the City has agreed to pay \$65,000 in 2019, and a further \$45,000 per year from 2020 to 2023 for these services.

### 25. Contingent Assets

The Local Government Act provides the City with the authority to recover outstanding property taxes through a public auction of properties which have three years of unpaid taxes. Properties which do not sell at auction will be transferred to the municipality if not redeemed within one year of the annual tax sale date. In September 2018, the City was declared the purchaser of a property with an assessed land value of \$44,800, which will transfer to the City if redemption is not made prior to October 2019.

The City is in the process of negotiating property rental agreements with two parties which it anticipates will be completed in early 2019. Under these agreements, annual revenues would be in the range of \$60,000 to \$79,000 for each of the next five years.

For the year ended December 31, 2018

### 26. Contractual Rights

The City has entered into property lease and utility franchise and pole agreements in terms ranging from two to twenty years, The City has contractual rights to receive the following estimated payments with respect to these agreements for the next five years:

2019	\$ 124,608
2020	124,428
2021	110,477
2022	110,477
2023	106,427
Total	\$576,417

On November 1, 2006, the City entered into a twenty-five year agreement to provide fire protection services for the Grand Forks Rural Fire Protection District. Under the terms of the agreement, the Fire Protection District will contribute towards a share of the City's operating costs for the municipal fire department. \$240,648 of revenue was recorded in 2018 for the portion of municipal operating costs shared with the district.

The City has entered into funding agreements with the Federal and Provincial governments with respect to various City infrastructure projects. To date, grant revenue of \$1,699.856 has been recognized based on eligible expenditures, leaving \$2,228,310 of revenue to be realized as the remaining expenditures are incurred over the next two years, as follows:

New Building Canada Fund	\$ 258,196
Clean Water and Wastewater Fund	1,745,692
Strategic Priorities Fund	172,628
Community Emergency Preparedness Fund	51,794

The City is also expected to receive approximately \$1,287,000 of grant funding from 2019 to 2023 under the Community Works stream of the Federal Gas Tax Fund Agreement.

### 27. Future Accounting Changes

### PS 3400 - Revenues

This new Section establishes standards on how to account for and report on revenue, specifically with respect to differentiation between revenue arising from transactions that include performance obligations (exchange transactions) and those that do not have performance obligations (unilateral transactions). A performance obligation is an enforceable promise to provide specific goods or services to a specific payor, and can take many forms. This Section applies to fiscal years beginning on or after April 1, 2022, with earlier adoption permitted.

### **PS 3430 - Restructuring Transactions**

This new section defines a restructuring transaction and establishes standards for recognizing and measuring assets and liabilities transferred in a restructuring transaction. A restructuring transaction is defined as a transfer of an integrated set of assets and/or liabilities, together with related program or operating responsibilities without consideration based primarily on the fair value of the assets and liabilities being transferred. This Section applies to restructuring transactions occurring in fiscal years beginning on or after April 1, 2018. Earlier adoption is permitted.

### For the year ended December 31, 2018

#### **PS 2601 - Foreign Currency Translation**

This section applies to transactions which are denominated in a currency other than its reporting currency, including those which arise when a government borrows or lends funds for which the amounts payable or receivable are denominated in a foreign currency, or when it becomes party to a contract involving foreign currencies. This section revised and replaces the existing section PS 2600 *Foreign Currency Translation* and applies to fiscal years beginning on or after April 1, 2019, with early adoption permitted.

#### **PS 3450 - Financial Instruments**

This section establishes standards for recognizing and measuring all types of financial instruments, including derivatives. Financial instruments include primary instruments, such as receivables, payables and equity instruments, as well as derivatives such as financial options, futures and forwards, interest rate swaps and currency swaps. This section applies to fiscal years beginning on or after April 1, 2019, with early adoption permitted.

#### PS 3041 - Portfolio Investments

This section establishes standards on accounting and reporting for portfolio investments, Portfolio investments are investments in organizations which do not form part of the government reporting entity, such as equity or debt instruments issued by the investee. This section revises and replaces section PS 3040 *Portfolio Investments* and section PS 3030 *Temporary Investments* and applies to fiscal years beginning on or after April 1, 2019, with early adoption permitted.

#### **PS 1201 - Financial Statement Presentation**

This section introduces a new statement of remeasurement gains and losses to report the accumulated and annual impact of:

- unrealized gains and losses for financial instruments in the fair value category unless subject to external restrictions and unrealized foreign currency gains and losses
- amounts reclassified to the statement of operations upon derecognition or settlement
- other comprehensive income from GBEs and GBPs consolidated using the modified equity method.

This new section revises and replaces the existing PS 1200 *Financial Statement Presentation*, and must be adopted at the same time as PS 2601, PS 3041, and PS 3450.

### 28. Impact of the Boundary Region Floods

On May 10/11, 2018 a major flood event occurred in the Kootenay Boundary Regional District, impacting more than two hundred and fifty properties within the municipal boundaries, and causing considerable damage to several City owned properties and municipal infrastructure.

The City incurred \$558,753 of flood emergency preparedness and response expenses, with \$461,207 of related revenue recoverable from Emergency Management BC. \$91,424 of this amount was received prior to December 31, 2018, with the remaining \$369,783 included in accounts receivable at year end.

During the year, the City completed a substantial amount of building and infrastructure repairs, most of which will be reimbursed by the City's insurance provider and the Government of British Columbia's Disaster Financial Assistance Program. \$1,199,558 of repair and remediation expenses were incurred to December 31, 2018, with \$1,183,855 of associated revenue recognized during the same period. The City received \$548,856 in insurance proceeds during the year.

### For the year ended December 31, 2018

As a result of the flood, the City wrote off \$19,988 in capital assets and incurred a loss of \$125,719 in municipal utility and campground revenues. \$42,868 of this revenue amount is recoverable through insurance proceeds and therefore has been included in accounts receivable.

In July 2018, the City submitted an Expression of Interest to Infrastructure Canada for grant funding through the Disaster Mitigation and Adaptation Fund to finance flood protection and natural infrastructure projects in the flood impacted areas. Subsequent to year end, the City tendered a full application under this program for \$49.9 million in projects to be undertaken over the five year period from April 2019 to March 2024. As part of the application process, expenses of \$104,016 were incurred in 2018, to be funded by Emergency Management BC. The equivalent amount of revenue and accounts receivable have been included in the 2018 financial results.

### 29. Segmented Information

The City's operations and activities are organized into various funds and departments for management reporting. The costs related to the provision of services within a particular department or fund are disclosed in the segmented information presented below.

The General Fund includes services provided by the City such as general government services, protective services, development services, recreation and culture, transportation services and public works, and environmental health and public health services. The utility operations are comprised of the water, electrical and wastewater utilities, each accounting for its own operations and programs within their own funds.

Revenues within the General Fund have been allocated to the various activities where they are directly attributable to that department. Taxation and other revenues which are not directly related to a particular activity are reported under General Government Services and have not been apportioned to the other departments within the General Fund.

### **General Government Services**

General government operations are primarily funded by property taxation. The expenses within the department include those for legislative, general administration, finance, and communications.

### **Protective Services**

Protective services are comprised of fire protection services, building inspection, bylaw enforcement, and victim services. Grand Forks Fire/Rescue provides fire and emergency services to both the City and rural area through a contract for services with the Regional District of Kootenay Boundary.

### **Environmental and Public Health Services**

Environmental Health services include solid and yard waste collection services contracted through agreement between the City and the Regional District Of Kootenay Boundary.

Public Health services relate to operation and maintenance of the cemetery.

### For the year ended December 31, 2018

### **Planning and Development Services**

The Planning and Development services department provides engineering services support to facilities, parks, roads, water, wastewater and electrical for infrastructure projects, as well as planning support for subdivisions and development, ensuring compliance with zoning and land use provisions of the community plan.

### **Transportation Services and Public Works**

The transportation and Public Works segment includes costs for the maintenance of city streets and sidewalks, snow removal services, airport operations, maintenance and operation of the vehicle fleet, and general administrative costs for Public Works.

### **Recreation and Cultural Services**

This segment includes costs related to the maintenance and repair of publicly owned buildings, in addition to costs for operation of parks and the City campground, and for community events support and fee for service agreements.

### **Electrical Utility**

This segment includes all of the operating activities related to the provision of electrical services to the majority of properties within the City boundaries. Electricity is purchased from the FortisBC Inc. electrical utility for resale to the City's customers, while services are provided by the City's own electrical crews.

### Water Utility

This segment includes all of the operating activities related to the treatment and distribution of water throughout the City.

### Wastewater Utility

This segment includes all of the operating activities related to the collection and treatment of wastewater throughout the City.

### 30. Comparative Figures

Certain of the comparative figures have been restated to conform to the current year's presentation.

### CORPORATION OF THE CITY OF GRAND FORKS Schedule of Segmented Information
