To: Committee of the Whole
From: Financial Services
Date: June 10, 2019
Subject: 2018-2022 Financial Plan Amendment
Recommendation: **THAT the Committee of the Whole recommends to Council to give first three readings of the 2018-2022 Financial Plan Amendment Bylaw, No. 2045-A2 at the June 24th, 2019 Regular Meeting**

Background

The five year financial plan for 2018-2022 was amended in September 2018 to reflect changes associated with additional capital project costs as well as emergency expenditures incurred as a result of the flood. At that time, staff revised the financial plan based on its best estimate of flood related expenses and revenue shortfalls, but the final financial impacts were unknown until the 2018 audit process was completed in May 2019.

Although the City did not exceed budgeted expenditures in aggregate for the year 2018, staff is recommending that the financial plan be amended a second time for greater consistency with the audited financial results. The majority of adjustments are required due to emergency response and insured property damage expenses which exceeded the original estimates, and which had offsetting additional revenues. There were also certain items purchased within operating budgets which exceeded the capitalization threshold, and which should be added to the list of capital expenditures in Schedule "C".

Section 165 (2) of the Community Charter allows for the amendment of the annual financial plan at any time "for certainty".
