Provisions Sought to Vary

1. The applicant, Weeds Glass & Gifts Ltd. (the “Applicant”), is seeking to vary section 58.3 of Zoning Bylaw 2039-A1 and Zoning Bylaw 2039-A3, as applicable, in relation to cannabis retail stores (“Cannabis Stores”, each a “Cannabis Store”):
 - a. Zoning Bylaw 2039-A1, section 58.3: “unless otherwise permitted in this bylaw, no building or structure may be within 100 m of the nearest parcel boundary of a lot in a Community Use Zone, or a youth-centred facility; or from the nearest edge of building of another Cannabis Retail site”; and
 - b. Zoning Bylaw 2039-A3, section 58.3: “unless otherwise permitted by this bylaw, no building or structure may be within 100m of the nearest parcel boundary of a lot in a Community Use Zone or a youth-centred facility.”

for the premises located at 7500 Donaldson Drive, Grand Forks, BC V0H 1H0 (the “Premises”).

2. Pursuant to section 490(1)(a) the *Local Government Act* [RSBC 2015] ch.1, “a local government may, by resolution, issue a development permit that... varies or supplements a land use regulation bylaw”.

Reasons for Request

3. On February 13, 2018, City Council members discussed the timeline for the amendment to the Zoning Bylaw 2039 for Cannabis Stores, and advised the Director of Development and Engineering (the “Director”) that the proposed amendments should be compared with other municipalities and to consider the potential of working collectively with other municipalities in drafting the amendments to the Zoning Bylaw.

(Affidavit #1 of Alice Huynh [“AHuynh”], Exhibit A)

4. Summary of Zoning Bylaws regarding Cannabis Stores in some other jurisdictions:

City	Distancing Requirement
Castlegar	No restrictions ¹
Rossland	Not permitted within 150m of the property line of a site containing a school or a youth centre ²
Sooke	Not permitted within 300m of the nearest property line of a site containing a school ^{3, 4}
Trail	Not permitted within 100m of any school, recreation centre, youth centre or daycare centre ⁵
Vancouver	Not permitted within 300m of the nearest property line of a site containing a School – Elementary or Secondary, Community Centre, or Neighbourhood House ⁶

5. However, the Director proposed Zoning Bylaw 2039-A1 that differed from the other jurisdictions drastically, as it required a distancing requirement of 100m for a complete zoning area, Community Use Zone (“CU Zone”) in addition to the broad 100m distancing requirement from “youth centred facilities”. As per Zoning Bylaw 2039-A1, “Youth Centered Facility” “means any school, daycare, playground, community garden, recreation facility, or other facility designed for use primarily by minors”. In addition to this, facility is not defined in Zoning Bylaw 2039-A1, Zoning Bylaw 2039-A3, or in the general Zoning Bylaw 2039.
6. On April 9, 2018, City Council members discussed the proposed Zoning Bylaw 2039-A1, which would provide restrictions on where Cannabis Stores can be located within the City. During the Council meeting, Councillor Tripp questioned the Director of Development and Engineering, as to the number of locations that would be permitted with the proposed Zoning Bylaw 2039-A1. The Director of Development and Engineering responded that given the

spatial restrictions, upon application of the Zoning Bylaw 2039 A-1, many prospective Cannabis Stores would be eliminated, and that he assumes that about four (4) to six (6) would be able to operate within the commercial area.

(Affidavit #1 of AHuynh, para. 3)

7. In reality, applying section 58.3 of the Zoning Bylaw 2039-A1, or 2039-A3, renders nearly all of the Core Commercial Use zone as impermissible for Cannabis Stores. In addition to this, of the limited area that is permissible for a Cannabis Store to operate in, there may only be one Cannabis Store within the Core Commercial Use Zone. This is because of the following:
 - a. Boundary Child Care, provides free drop-in playtime and is listed as a daycare is located at 7320 4th Street;
 - b. Jazzercise Grand Forks, provides free childcare to its attendees for four classes per week, and classes only occur once or twice a day;
 - c. Dazzle Dance and Fitness, primarily provides dance classes to children and youth is located at 7375 second street; and
 - d. CU Zones found near and throughout the Core Commercial Use zone.

(Affidavit #1 of AHuynh, Exhibit B)

8. Schedule A-1 of the consolidated Zoning Bylaw 2039 provides a map of the “Cannabis Product and Retail Zoning: Eligible Underlying Zones”, which lists Core Commercial and Neighbourhood Commercial zones as eligible for Cannabis Retail locations. However, section 46.2 of the consolidated Zoning Bylaw 2039 states that the following uses and no others are permitted:
 - a. convenience stores;
 - b. restaurants and liquor licensed premises;
 - c. personal service establishments;
 - d. dwelling units above or in conjunction with the commercial operation;
 - e. professional services;
 - f. post office;
 - g. *animal hospitals*. [Bylaw 2039-A3]

Although the City amended section 46 regarding Neighbourhood Commercial Zone to include animal hospitals, it did not include Cannabis Stores, and as a result, Cannabis Stores would not be permissible within Neighbourhood Commercial Zones as well. Accordingly, if the strict application of Zoning Bylaw 2039, and the amending Zoning 2039-A3 is applied, then Cannabis Stores are restricted even further, and would almost only be operable within industrial zones.

9. Section 56 of the consolidated Zoning Bylaw 2039 states that only the following uses are permitted within the CU Zone:
 - a. libraries;
 - b. museums;
 - c. cemeteries;
 - d. hospital, including medical clinic, dental clinic, ambulance station, rest home or
 - e. private hospitals;
 - f. post office;
 - g. community events centre;
 - h. community use service;
 - i. open space passive recreational areas;
 - j. municipal, local government or educational buildings, day care centers;
 - k. senior citizen complexes, senior activity centres and congregate care facilities;
 - l. any building or structure operating under a Private-Council partnership agreement.
10. The requirement of a 100m distancing requirement from a CU Zone is unduly restrictive, as it limits the permissible locations for Cannabis Stores to such a degree that renders Zoning Bylaw 2039-A3 as legislation that prohibits the operation of Cannabis Stores within the City, rather than legislation that is facilitating or supporting it. Furthermore, most of the permitted uses within the CU Zone are of a nature that other jurisdictions have not provided setback requirements for Cannabis Stores relative to those specific uses. For example, other jurisdictions have not set distancing requirements from cemeteries, which would potentially, occur with the City given the 100m setback requirement from a CU Zone, rather than providing for a distancing requirement given a specific use found within the CU Zone. Moreover, maintaining a setback requirement of 100m from a CU Zone, which may include a senior citizen complex or may not, would be contrary to intention of City Council to meet the needs of their constituents. This is because, as stated during the City Council meeting on May 15, 2017, there are many elderly individuals and those with medical conditions that rely on cannabis to alleviate their symptoms (Affidavit #1 of AHuynh, para. 5)
11. Thus, applying a strict distancing requirement of 100m from a CU Zone would be contrary to the intention of Council to provide reasonable access to cannabis for its constituents, whether it is for medical or recreational purposes, as well as contrary to the intention of City Council to provide more equitable access to the cannabis retail market (Affidavit #1 of AHuynh, Exhibit C). It is submitted by the Applicant that the intention of Council and the needs of the constituents to have reasonable access to cannabis, both from a consumer level and the community's economic development requires a flexible approach to the application of the 100m distancing requirement from a CU Zone. Accordingly, the needs of the constituents may be addressed by determining the specific use of the parcel within the CU Zone that renders the Cannabis Store impermissible under section 58.3 of the Zoning Bylaw

2039-A3 and determining whether to approve the Applicant's development variance for the Premises. Otherwise, as evidenced from the 100m buffer placed surrounding CU Zones in the Core Commercial Zone, Cannabis Stores would be impermissible in a large portion of the City (Affidavit #1 of AHuynh, Exhibit D).

12. The Zoning Bylaw 2039 defines community use services as meaning, "the use of land, buildings or facilities for the following purposes:
 - a. community sponsored and funded passive or active recreational activities;
 - b. community sponsored and funded educational activities;
 - c. health activities, which includes congregate care facilities, intermediate care facilities, personal care facilities and hospitals;
 - d. or any combination of the above."
13. Based on this definition, it is apparent that the intention of City Council in implementing CU Zones is to protect those areas from the proliferation of businesses solely for an economic purpose that does not contribute to the wellbeing of the City's community members. However, in this case, and as considered during the May 15, 2017 Council meeting, cannabis assists many individuals with a number of medical and mental health conditions (Affidavit #1 of AHuynh, para. 5). This is also evidenced in the summary of affidavits of people that the Applicant assisted (found below) by providing a product that contributes to their personal care and is a "health activity" for those individuals, as provided for in the definition of "community use services". Arguably then, creating a distancing requirement for Cannabis Stores from CU Zones, would be contrary to the implementation of CU Zones and definition of "community use service", as Cannabis Stores may be construed as a business that is providing a "community use service".
14. Furthermore, it is not the intention of City Council in implementing the CU Zones to create a barrier for businesses seeking to operate outside of that zone, but more so, it is evident that City Council wanted to encourage businesses that provide a "community use service" to operate within the City by enacting the CU Zones. Accordingly, using CU Zones to restrict businesses outside of said zone, is contrary to City Council's intention to encourage businesses that provide "community use services". In other words, it is City Council's intention to foster a certain type of business in implementing CU Zones, rather than using said zone to restrict businesses and activities outside of said zone. Hence, it would be contrary to the intention of the City Council to create a distancing requirement for Cannabis Stores from businesses that provide "community use services", as it is apparent that in implementing CU Zones, City Council members were concerned that the City will be proliferated with businesses with a sole economic purpose that did not contribute to the community members' wellbeing, which is not how the Applicant intends to operate.

15. On April 29, 2019, the Applicant was informed by a delegate of the Director that “upon preliminary review we note that the proposed location is less than the required 100 m distance from a community use zone... as you may already know, council rejected the last application that did not meet the setback distance requirement from a community use zone *and* from a youth centred facility” (italics added).
16. In this case, the Applicant is within 100m of a CU Zone, but not within 100m of a youth centered facility. Accordingly, the Applicant is seeking a development variance in relation to the 100m distancing requirement from a CU Zone. The specific use within the CU Zone that the Applicant is within 100m of is James Donaldson Park, which is not a “youth centred facility” as it is not a school, daycare, playground, community garden, recreation facility, or other facility designed for use primarily by minors. James Donaldson Park is a baseball field that hosts baseball tournaments, and this is in addition to, allowing any member of the community to use the baseball park to play baseball (the “Baseball Park”).

(Affidavit of AHuynh #1, Exhibit E)
17. In particular, the Baseball Park hosts an “International Baseball Tournament”, and although it is a family-friendly event, the baseball players are all adults, and most of the attendees are adults, rather than minors.

(Affidavit of AHuynh #1, Exhibit F)
18. Presumptively, the City Council members’ primary rationale for the distancing requirement of section 58.3 of the Zoning Bylaw 2039-A1 and 2039-A3 is concerning youth exposure to cannabis. However, the Applicant has operated other Cannabis Stores across the country and has never been alleged to have exposed minors to cannabis. This is because the Applicant has implemented the following to reduce youth’s exposure to cannabis in other locations:
 - a. The windows used obscure the view of the contents of the store unless an individual is very close to the windows. The lighting fixtures used also diminish visibility of the contents of the store, as the light used in the store are specific blue lights meant to mimic and simulate daylight, which makes it more difficult to view its contents.

(Affidavit #1 of Taizo Ellis sworn 24 April 2019 [“Affidavit #1 of TELLIS”], para. 17)
 - b. The entrance to the store is locked and requires ringing a doorbell to notify staff members to permit or deny entry through a buzzer.

(Affidavit #1 of TELLIS, para. 14)
 - c. Because of the specific lighting used in the store, staff members are able to see people who are seeking entry into the store through the windows of the front door,

and in the evening, there is a light above the front door located on the outside to illuminate anyone seeking entrance.

(Affidavit #1 of TELLIS, para. 15)

- d. Staff members of the store does not allow any individual that appears to be a minor enter the store. These individuals are notified that entrance is denied through the intercom that is connected to the front doors.

(Affidavit #1 of TELLIS, para. 16)

- e. Generally, staff members will ask customers that linger around the front of the store to move along.

(Affidavit #1 of TELLIS, para. 22)

- f. The employees then require any customer to show identification confirming that they are over the age of 19 prior to making any sales. Staff members do not allow any cannabis or cannabis products to be sold to individuals under the age of 19. They ensure this by checking the identification of each person who appears under the age of 30. There are staff members who have lived out-of-province that will check the identification of customers with out-of-province identification. They have an ultra violet light at the store to check the authenticity of any suspicious-looking identification. Any individual without identification or with fake identification are asked to leave the store immediately even if they are regular customers that have shown identification previously.

(Affidavit #1 of TELLIS, para. 11)

- g. The vast majority of customers who visit the store are between the ages of 30 and 50 years old, with approximately 15% over the age of 60.

(Affidavit #1 of TELLIS, para. 12)

- 19. If permitted to operate on the Premises, the Applicant expects to employ similar safeguards against youth exposure, as well as complying with the applicable bylaws and legislation.

- 20. The following are the site-specific circumstances of the Premises that minimizes youth exposure to the Cannabis Store, which is then eliminated by virtue of the Applicant's operational mechanisms, as stated above:

- a. The location of the Premises, relative to the Baseball Park, obscures the view of the Premises from any minor attending the Baseball Park. This is because at the corner of 75th Avenue and 19th Street of the Baseball Park, there is a large cement wall of the stadium that obscures the view of the Premises from the Baseball Park.

(Affidavit #1 of AHuynh, Exhibit G)

- b. The Premises is a standalone building without any neighbouring business on the same lot that youths would attend.

(Affidavit #1 of AHuynh, Exhibit H)

- c. The distance from the entrance of the Premises to the entrance of James Donaldson park is approximately 61.74m.

(Affidavit #1 of AHuynh, Exhibit I)

- d. The Premises is located within the light industrial zone, an area that is less frequented than Core Commercial Zone.

(Affidavit #1 of AHuynh, Exhibit J)

- 21. A secondary concern that Council members may have had in adopting section 58.3 of the Zoning Bylaw 2039-A1 and Zoning Bylaw 2039-A3 is community safety. The Applicant is able to assuage this concern as the Applicant has not had any policing incidents in relation to safety concerns. The Applicant also implements a number of security measures to ensure the safety of the public and its staff members, which includes installing several cameras throughout the store, a lock and buzzer on the front door that does not allow anyone to enter the store without the approval of an employee, and the bulk of the products are stored in locked storage area (Affidavit #1 of TELLIS, paras. 13 and 14).

- 22. In addition, the Applicant has received support from property owners from whom the Applicant has leased other locations. In one such letter of support from a property owner leasing to the Applicant, the property owner applauded the Applicant's dedication to the community in ensuring that the property remains clean and tidy both within the building and in the surrounding area. The following are pertinent excerpts from the letter of support the Applicant received from the landlord of their location in Vancouver:

- a. "As an Owner/Property Manager for over 45 years, (both residential and commercial property), I can honestly say that 'Weeds' has been the best tenant I have ever had. Being my Tenant for over 5 years, they have never been late with the rent, have never complained to me (except when their toilet was plugged), always kept the adjoining vacant lot free of garbage (I learned later that Don Briere, the proprietor of Weeds, started a regular block clean up by the store staff when garbage was an issue) and most importantly, showed the utmost respect to not only me but others as well. It is well known they donate funds resources and their time to many good causes."

- b. “There are 5 residential units above the Weeds and for the past 5 years, I have never received any complaints from them or any other neighbours in the area as it relates to noise or selling to youths.”
- c. “It will be very difficult to find another tenant as responsible as Weeds.”
- d. “...if Weeds was to close, it will be a hardship for me to find a tenant as responsible and responsive. I anticipate the community in general will also suffer.”

(Affidavit #1 of AHuynh, Exhibit K)

23. The Applicant also provides safety to the community through the products that it provides and adds to the character of the community by ensuring that staff members adhere to high levels of service and dedication to its customers. This is evidenced in the affidavits of customers that attest to the excellent quality of products, professionalism and courtesy of its staff members, and the general cleanliness of the store. While these affidavits relate to locations in Vancouver where the Applicants dispensed medical cannabis while awaiting a decision surrounding their legality, even though the proposed business at the Premises is not for a medical cannabis dispensary, but for a recreational Cannabis Store, the testimonials of their clientele speak to the Applicant’s professionalism and levels of customer service:

- a. Daniel Obcena suffers from anxiety and insomnia, and finds that the Applicant provides him with the most reliable and most convenient way for him to obtain medicinal cannabis. He chooses to return time and time again because he liked the hospitality and the product selection, and feels that there is a real sense of community there and he has become friends with many of its staff. He believes that the products are of high quality because he achieves the desired relief from his extreme bouts of anxiety and exhaustion that inhibits his ability to work. He also feels that the store is safe because you can see security cameras around the store and he has never seen any suspicious activity near or inside the Premises. It would be difficult for him to go elsewhere because the Premises are conveniently located and he has visited numerous other Cannabis Stores and found that none of them have provided the consistent quality and service as the Applicant.

(Affidavit #1 of DObcena, paras. 6, 7, 12, 14, 16, and 17)

- b. Denna White was diagnosed with Attention Deficit Hyperactivity Disorder, Depression, insomnia, Post-Traumatic Stress Disorder, and alcoholism. As a result of these medical and mental health conditions, she experiences overwhelming feelings of hopelessness, invasive thoughts of self-harm, flash-backs, vivid nightmares, and difficulty sleeping, eating, and focusing, which in general, causes her to have difficulty functioning on a daily-basis. She was prescribed a number of

pharmaceutical medications, which did not help but caused the state of her mental health to worsen drastically, and because of this, she started relying on alcohol to relieve her symptoms which led to her alcohol dependency. Cannabis helps her manage and address the symptoms of her conditions, function on a daily-basis, and her alcoholism. She relies on the Applicant because she feels safe purchasing her medicine from the Applicant, as feeling safe is a very important and high priority for her. She finds that the staff members are kind and professional, and the quality of the products is great, and the store is always clean. If the Applicant were to close down, she is unsure where she would purchase her medication, as she requires specific strains and products that she is only aware that the Applicant provides. If the Applicant was shut down, she may have to rely on the illicit market again, which she is very hesitant in doing so, as the illicit market is prevalently dominated by men who often make unwelcomed advances towards her.

(Affidavit #1 of DWhite, paras. 5-10, and 12-13)

- c. Duane Christopher Barrett suffers from a number of sports-related injuries, knee surgery, and broken a number of bones in his hand, which subsequently resulted in chronic pain. He was prescribed OxyContin, but stopped after two days as it affected him badly. When he uses cannabis, he finds that the pain he experiences on a daily basis is almost gone. The Applicant provides him with a welcoming and pleasant place to purchase his medicine, as he is consistently provided with excellent customer service. He visited a different Cannabis Store previously but had a negative experience, and has since only visited the Applicant because of the quality product and excellent and personable customer service and friendly atmosphere. He does not like the idea of ordering cannabis online, and if was unable to purchase his cannabis at the Premises, he is not sure where he would purchase his medicine.

(Affidavit #1 of DBarrett, paras. 4, 5, 6, 10, 15, 16, 17, and 18)

- d. Gulnara Bakhtadze suffers from anxiety that causes severe bouts that resemble panic attacks, and was prescribed anti-anxiety medication from her family physician. If she was unable to purchase the products she requires from the Applicant, she would have to purchase from Tilray, the Licensed Producer, which would affect her negatively both financially and physically, as they do not carry the product she requires and the products that they do carry costs a lot more.

(Affidavit #1 of GBakhtadze, paras. 4, 6, 8, and 9)

- e. Jeffrey Dale was diagnosed with Complex Regional Pain Syndrome (“CRPS”), and experiences pain throughout his body from his neck to his ankles, all day and every day. He was prescribed with medications including Dilaudid, Gabapentin, Lyrica,

Demerol, and Tylenol 3; however, none were helpful in treating his pain from CRPS and caused side effects including itchiness, constipation, and breathing problems, and increased the pain in other areas of his body. In using medicinal cannabis, he found it much more effective, and assisted him in taking his mind off of the pain so that he could focus on other things and continue with his day. He relies on the Applicant as he finds them to be the safest, most reliable, and most convenient place for him to obtain his medicine.

(Affidavit #1 of DBarrett, paras. 5, 6, 7, 9, 11, and 16)

- f. Julia Shuker, a professor in the School of Criminology and Criminal Justice at the University of Fraser Valley, worked at two maximum security facilities for 25 years, and was subsequently diagnosed with PTSD, and soon after, internal bleeding in her gastrointestinal tract resulted in a diagnosis of anemia. After her lack of success with Tylenol No. 3, Morphine, and Effexor, her doctor prescribed Nabilone, a synthetic cannabinoid as well as medical cannabis. Ms. Shuker notes that ordering medical cannabis through an LP took 8 months to a year to complete and obtain a license, and renewals are required every year and takes 3 months to complete. When she did try to purchase from the LP, she found that they only offered medical cannabis in dried form and some oils, but did not offer edibles. She relies on the Applicant to purchase her medication because it is of high quality and has a variety of products that help alleviate her symptoms.

(Affidavit #1 of Julia Shuker, paras. 3, 5, 7, 16, 18, 20, 22, 24, and 25)

24. To reiterate, above are some of the affidavits of customers that the Applicant has been able to assist by providing quality products and services, and this is only a small sample of people that the Applicant is able to serve and help on a daily basis through its responsible operation, since on average, one of the Applicant's location in Vancouver sees about 800 people per day (Affidavit #1 of TELLIS, para. 6).
25. Not only is the Applicant able to assuage the potential concerns of the City regarding community safety, youth exposure, and additional costs related to policing, but also benefit the community, as the Applicant feels strongly about social responsibility and supporting the community in which it operates. While awaiting for the decision of City Council, the Applicant has donated the Premises to be used as a homeless warning centre, and intends to continue being an active and supportive member of the community if the Applicant's development variance application is granted but if they are not granted the exemption, they will have to make a difficult business decision.
26. The Applicant's commitment to continue operating as an active and supportive member of the community is also evidenced in the financial investment that the Applicant has made.

The Premises are owned by the numbered company 1179711 B.C. Ltd., where the director is Devon Briere (“Devon”). Devon is the son of Don Briere (“Don”), the director of the Applicant. The Applicant is a family-operated business, where Don’s investment through purchasing the Premises is to provide Devon with the opportunity to become a committed member of the community. It is Don and Devon’s intention to apply the family values which are central to the Applicant’s operation into the development and use of the Premises as a Cannabis Store by contributing to and supporting the community, and its members.

27. The Applicant has also assisted the economic growth of the community, as evidenced in the other location it operates, where the Applicant employs 15 staff members to operate and provide the employees with a wage that is above B.C. minimum wage standards. The highest level of education that nearly all staff members have obtained in that location is their high school diploma. Accordingly, it would be unlikely, without the requisite experience for a given position, that the staff members hired by the Applicant would be able to obtain a wage that is well above the B.C. minimum wage standards in addition to providing health and dental benefits.

(Affidavit #1 of TELLIS, paras. 22-24)

Conclusion

28. The Applicant submits that a strict application of section 58.3 of the Zoning Bylaw 2039-A1 and Zoning Bylaw 2039-A3 would render a majority of the City impermissible for Cannabis Stores to operate within, as the 100m buffer surrounding CU Zones renders nearly all of the Core Commercial Zone impermissible for Cannabis Stores, and the 100m buffer surrounding CU Zones, present throughout the City, renders a number of areas throughout the City impermissible for Cannabis Stores. This impermissibility of Cannabis Stores to operate within the City is aggravated further by operation of section 46 of the consolidated Zoning Bylaw 2039, Zoning Bylaw 2039-A1, and Zoning Bylaw 2039-A3, where Cannabis Stores are not listed expressly as a permitted use under section 46.2, Neighbourhood Commercial Zone.
29. Any concerns of the City in allowing the development variance can be assuaged by the site-specific circumstances surrounding the Premises along with the operational mechanisms that the Applicant will implement to ensure the safety of youth and the community. Furthermore, the Applicant is socially responsible, and its operation will benefit the community at large, as they have countless customers who have attested to the excellent quality of products they carry, professionalism and courtesy of its staff members, and the general cleanliness of the store, both within and surrounding. The Applicant will benefit the local economy by employing staff members from the community and providing them with wages well above the minimum wage in BC along, and health and dental benefits. In addition, the Applicant has presently donated the Premises as a homeless warning centre until a decision is rendered,

and the Applicant intends to continue being an active and supportive member of the community.

30. Therefore, the Applicant requests that the City approve its application for development variance, since although the Premises are located within 100m of a CU Zone, the specific use in which it is 100m within is not a “youth centred facility” as defined in Zoning Bylaw 2039-A1. The Baseball Park is not attended and primarily used by minors – use by youth is merely incidental to the overall use of the Baseball Park as public recreational space. Even if the Baseball Park is used mostly by minors, which it is not, the mechanisms that the Applicant will be placing on the Premises will ensure that youth exposure to cannabis will be eliminated. Furthermore, to emphasize, the Applicant intends to be an active, engaging, and supportive member of the community, and will cooperate with the City to address any concerns, regardless as to the remoteness of the possibility of that occurring.

To: Regular Meeting
From: **Development, Engineering and Planning**
Date: January 28, 2019
Subject: First and Second Reading – Rezoning from R1 - Residential (Single and Two Family Zone) to CD - 1 (Comprehensive Development 1 Zone) to accommodate a Mobile Home Park and Ecological Reserve – Boundary Drive North (File: ZA1803)
Recommendation: **THAT Council gives first and second reading to Zoning Bylaw Amendment No. 2039-A2.**

Background

Overview

At the Committee of the Whole meeting on January 14, 2019 (see Agenda item No. 8.c.), Council recommended that first and second reading be given to Zoning Bylaw Amendment No. 2019-A2 which would rezone 1.2 hectares (3 acres) from R1 – Residential (Single and Two Family Zone) to CD - 1 (Comprehensive Development 1 Zone). This rezoning would accommodate a 25-unit mobile home park and ecological reserve at the northerly extent of Boundary Drive (see proposed bylaw attached).

Once the rezoning bylaw receives first and second reading, Council must hold a Public Hearing to receive community input prior to adopting the bylaw. Notice of the Public Hearing is advertised for two consecutive weeks in the Gazette and sent to all owner/occupants within 30 metres of the site. The Public Hearing is tentatively scheduled for February 11, 2019 (6pm).

Application Details

Details about the applicant and the site are as follows:

Applicant/Owner: Vadim Kobasew, PO Box 779, Osoyoos, BC V0H 1V0
Agent: Orchard Lane Properties Inc., PO Box 779, Osoyoos, BC V0H 1V (250-490-7959)

Civic Address: 7900/8000 Block of Boundary Drive (including 8051 Boundary Drive)

Legal Descriptions (three lots to be consolidated):

Lot 18, Block 1, Plan KAP586, District Lot 380, Land District 54; PID: 012-190-217 (1 acre).

Current Zoning: R1 (Residential – Single and Two-Family) Zone.

Proposed Zoning: Comprehensive Development (“CD”) Zone 1 which generally includes a) specific regulations regarding setbacks, fencing, landscaping and size of mobile home spaces; b) site layout and development tied to site specific plans contained in the bylaw; and, c) designation of an ecological reserve area to protect the existing wetland and ensure adequate building setbacks from it.

Issues to be Resolved Prior to Bylaw Adoption

The applicant will be required to address the following matters prior to final adoption of the rezoning bylaw:

- Completion and execution of a Works and Services agreement with the City (as per Bylaw No. 1970) which will specify duties and obligations respecting the provision of sewer, water, roads, drainage, stormwater management, fire protection, electrical and performance securities to ensure that servicing infrastructure is adequately installed and maintained;
- Consolidation of the three parcels into one and submission of a survey of the wetland as endorsed by a qualified environmental professional;
- Landscaping and screening to mitigate impacts on adjacent development and the wetlands including bonding/security to ensure that the landscaping is undertaken and maintained to a specified standard;
- Payment of Development Cost Charges (DCCs) as per City bylaws. *(Note: The applicant is requesting that DCCs be waived for the smaller mobile homes. DCCs are payable at the time of building permit for each dwelling unit and requests to waive DCCs must be made on a case by case basis. DCCs must be paid by the land owner/developer and not be passed on to the owners of the mobile homes); and*
- City acceptance of any latecomer or related agreements proposed as per the Local Government Act or Community Charter.

To: Regular Meeting
From: Development, Engineering & Planning
Date: January 28, 2019
Subject: First and Second Reading –Amendments to the Zoning Bylaw with respect to cannabis retail stores, accessible parking spaces and other minor changes (File: ZA1901)
Recommendation: **THAT Council gives first and second reading to Zoning Bylaw Amendment No. 2039-A3, 2019.**

Background

Overview

At the regular meeting on January 14, 2019, Council passed a resolution directing staff to bring forward a zoning bylaw amendment to eliminate the 100 metre separation distance between cannabis retail stores in the City and to eliminate the requirement for signs and the front face on these stores to be at least 50 metres from a controlled highway (i.e., Highway No. 3).

Bylaw No. 2039-A3 (attached) addressed these two regulations as well as several other minor “housekeeping” issues intended to clarify the intent of the zoning bylaw and update certain regulations as summarized in Table 1 below.

Table 1: Summary of Proposed Zoning Bylaw Amendments		
Section Reference	Amendment	Intent
58.3 Cannabis Retail Overlay (CRO)	To delete the 100 metre separation distance required between cannabis retail stores in the City.	To streamline the provincial licencing and municipal approval process and to create market access equity among cannabis retail store applicants. Eliminates municipal involvement in market competition in this retail sector.
58.4 Cannabis Retail Overlay (CRO)	To delete the requirement for building facades and signage to be set back 50 metres from Highway No. 3.	To permit more equitable access to the cannabis retail market among stores in the city.
26.6 Offstreet Parking	To require 2% of parking spaces for non-residential uses to be accessible, with a minimum of one space per site. To require the size of these spaces to	To ensure that suitably sized accessible parking stalls are provided for non-residential land uses in the City. The British Columbia Building Code 2018 no longer regulates accessible parking so it now the responsibility of the City. This

The new regulation is based on standards recommended by the <i>Ministry of Transportation and Infrastructure</i> and the <i>Institute of Transportation Engineer's</i> publication entitled "Guidelines for Parking Facility Location and Design".
Sections 36.4 (R-1 zone), 39.5 (R-2 zone) and 40.7 (R-3 zone)	Clarify the types of dwelling units permitted in certain residential zones.	To eliminate ambiguity with respect to the interpretation of these sections.
Various sections; NC, I-1, I-2, I-3, I-4, LF, R-4 and R-4A	Add "animal hospitals" as a permitted use in commercial, industrial and rural residential zones.	To allow animal hospitals to locate in areas other than in the downtown or highway commercial areas.
Section 47 HC Highway Commercial Zone and Section 50 I-1 Light Industrial Zone	Add "professional services" as a permitted use in the HC and I-1 zones.	To allow additional flexibility as to where professional offices (i.e., doctors, lawyers) can locate in the City.

Timing

If the zoning amendment receives first and second reading, the next steps and estimated time frame are outlined below:

Activity	Timing
First and second reading of the zoning bylaw amendment.	January 28, 2019
Public Hearing advertised for two consecutive weeks.	January 30 & February 6 th , 2019
Public Hearing held by City Council.	February 11, 2019
Third and final reading of the zoning bylaw amendment.	February 11, 2019 (subject to results of Public Hearing)
Implementation.	February, 2019

Benefits or Impacts

General

The amendments to the cannabis separation/setback distances will create more equitable access to the market for potential retailers and streamline the provincial/municipal licencing process without compromising other siting regulations related to neighbourhood impacts, safety, etc.

The text amendments will eliminate some regulation ambiguities and allow more flexibility for animal hospitals and professional services to locate in the City.

Strategic Impact

Community Engagement

- A statutory Public Hearing will be held to encourage and receive feedback from the community on the zoning amendment proposals.

Community Livability

- Adding best practices for accessible parking into the zoning bylaw will improve community livability for community members with accessibility challenges.

Economic Growth

- The process for applying for a cannabis retail store licence will be more transparent allowing applicants to make more informed decisions as to where they may propose to establish a store.
- Requiring accessible parking will make it easier for those with mobility challenges to fully participate in the local economy.

Fiscal Responsibility

- The text amendments will provide clarification to the zoning bylaw and reduces staff time associated with interpreting and clarifying the intent of the bylaw.

Policy/Legislation

Freedom of Information and Protection of Privacy Act, Zoning Bylaw, Official Community Plan, Local Government Act, Ministry of Transportation and Infrastructure Policy No. 5.2.4 and "Guidelines for Parking Facility Location and Design" (Institute of Transportation Engineers).

Board of Variance, City of Vancouver
Room 112, 1st Floor, City Hall

Attn: Louis Ng, Gilbert Tan, Denise Brennan, Nantez (Babbu) Sohal, Jasmean Toor and Simona Tudor.

Re: Board of Variance for 2580 Kingsway - DP-2019-0041

Dear Sir/Madam,

I am writing to you as the Landlord of the property located at 2580 Kingsway, which is currently leased to Weeds Glass & Gifts Ltd. I, must admit, that I was, disappointed to hear that the Development Permit was not approved. It seems unfair that the permit was rejected because it was too close to a school. This seems unfair as there are other factors that should be considered that may offset this distance related rejection. As an Owner/Property Manager for over 45 years, (both residential and commercial property), I can honestly say, that "Weeds" has been the best tenant I have ever had. Being my Tenant for over 5 years, they have never been late with the rent, have never complained to me (except when their toilet was plugged}, always kept the adjoining vacant lot free of garbage (I learned later that Don Briere, the proprietor of Weeds, started a regular block clean up by the store staff when garbage was an issue) and most importantly, showed the utmost respect to not only me but others as well. It is known they donate funds resources and their time to many good causes. .

There are 5 residential units above the Weeds and for the past 5 years, I have never received any complaints from them or any other neighbours in the area as it relates to noise or selling to youths.

It will be very difficult to find another tenant as responsible as Weeds. To allow and unknown store in the future to be allowed just because they may be a few meters farther from the school seems unfair. Obviously, if Weeds was to close, it will be a hardship for me to find a tenant as responsible and responsive. I anticipate the community in general will also suffer.

Thank you for your time and consideration. I hope you vote to accept the appeal and award Weeds their development permit..

Yours truly,

Kenneth Sam
Owner 2580 Kingsway
