SEPTEMBER 6 2019

Dear City of Grand Forks - Council & Staff

Thank you Dolores Sheets for meeting with the Flippin Fun Gymnastics Leadership on Friday August 23, 2019 at City Hall.

It was discussed in this meeting that Flippin Fun will be moving forward to request the City to supply Flippin Fun Gymnastics with a letter of support / **SUPPORT IN PRINCIPLE LETTER**. This letter would be used as evidence of support to other potential community supporters.

This letter would ideally state that the City of Grand Forks supports Flippin Fun Gymnastics with the proposed MULTI USE FACILITY PROJECT. This Youth and Health Wellness Center, would include space for Gymnastics, Jazzercise, CrossFit, Martial Arts, and Kickboxing.

The City would support this project ideally by assisting with the SERVICED LAND portion of this project and a few sites have been already tentatively identified.

Together with Horizon North Logistics and JDP Contracting, Flippin Fun has created a concept building and would like to start fundraising / grant seeking. Please feel free to contact Mr. Gary Swift from Horizon North at (587) 223-4388 for any questions or comments.

Ideally we want to make it easy for other community supporters to say "yes" to this project. Having the City of Grand Forks support us in this project would speak volumes and we absolutely so much appreciate your consideration and look forward to a "support in principle" letter. Ideally if there is anything else you could add to this letter to help supporters get on board that would be great.

Our hope is that this potential project will draw the community closer together in health, wellness and vitality.

Thank you for your consideration and we look forward to your response.

Sincerely,

Svetlana Dalla Lana
