

THE CORPORATION OF THE CITY OF GRAND FORKS

BYLAW NO. 2055

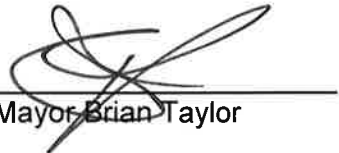

A Bylaw to Establish the Five Year Financial Plan For the Years 2019 - 2023

The Council for the Corporation of the City of Grand Forks, in open meeting assembled, enacts as follows:

1. This bylaw may be cited, for all purposes, as the "Five Year Financial Plan Bylaw, 2019-2023, No. 2055".
2. Schedule "A" attached hereto and forming part of this bylaw is hereby adopted as the Statement of Objectives and Policies for the Five Year Financial Plan for the years 2019 to 2023.
3. Schedules "B" and "C" attached hereto and forming part of this bylaw are hereby adopted as the Financial Plan schedules of proposed funding sources, expenditures, and transfers between funds for the years 2019 to 2023.

Read a first, second and third time by the Municipal Council this 25th day of March, 2019.

Finally adopted on this 8th day of April, 2019.

Mayor Brian Taylor

Corporate Officer Daniel Drexler

C E R T I F I C A T E

I hereby certify the foregoing to be a true and correct copy of the "Five Year Financial Plan Bylaw, 2019-2023, No. 2055", as adopted by the Municipal Council of the City of Grand Forks on this 8th day of April, 2019.

Corporate Officer of the Municipal Council of the
City of Grand Forks

**CORPORATION OF THE CITY OF GRAND FORKS
5 Year Financial Plan Bylaw 2055
Schedule "A" Statement of Objectives and Policies**

In accordance with Section 165 (3.1) of the Community Charter, The City of Grand Forks is required to include in the Five Year Financial Plan, objectives and polices regarding each of the following:

1. The proportion of total revenue that comes from each of the funding sources described in Section 165(7) of the Community Charter;
2. The distribution of property taxes among the property classes, and
3. The use of permissive tax exemptions.

Funding Sources

Objective:

- For operations, to maintain annual increases to a level that approximates the annual increase in inflation unless a specific program or project is identified that requires tax revenue funding.
- For capital and fiscal, to review and address annually the long term needs for capital infrastructure.

Policies

- After an initial correction period, ensure that property tax increases remain as stable as possible over time and within 2 percent above inflation.
- Increase utility rates consistently over time, between 3 and 4 percent, to fund the asset management capital reserves.
- Evaluate and set user fees and charges fairly for the services received.
- Set taxes, fees and charges to achieve full cost recovery, where appropriate, for operating costs.
- Periodically review fees and charges to ensure that they account for inflation and changes in the level of service provided.
- Encourage the use of alternate revenue resources instead of property taxes.

Revenue Source	Amount	% of Total Revenue
Property Value Taxes	\$ 3,928,690	9.4%
Parcel Taxes	161,041	0.4%
Fees and Charges	7,804,998	18.7%
Other Sources	22,726,753	54.7%
Proceeds from Borrowing	891,116	2.1%
Reserve Funding	6,130,537	14.7%
TOTAL	\$ 41,643,135	100.0%

Distribution of Property Taxes

Objective:

- To ensure property taxes and rates are sufficient to meet the City's short and long-term needs.
- To ensure equity among the property classes by reviewing the ratios of property class allocations annually.

Policies:

- Conduct periodic reviews of taxes paid by individual classes.
- Consider tax shifts or redistributions only where a full comprehensive analysis and impact is undertaken.
- Where a tax shift is required, consider a gradual phase-in to allow the properties in the class to adjust their budgets accordingly.
- In establishing property tax rates, take into consideration:
 - The amount of property taxes levied as compared to other municipalities.
 - The property class conversion ratio as compared to other municipalities.
 - The tax share borne by each property class.
 - The tax ratios of each property classification.

The 2019 distribution of property taxes rates among the different classes has not yet been determined. The following distribution is based on rate multiples consistent with prior years:

Property Class	Rate Multiple	% of Property Value Tax
01 Residential	1.00	56.86%
02 Utilities	8.62	1.42%
03 Supportive Housing	1.00	0.00%
04 Major Industry	9.11	21.08%
05 Light Industry	2.93	1.33%
06 Business	2.39	19.27%
07 Managed Forest	3.00	0.00%
08 Recreation/Non Profit	0.80	0.03%
09 Farm	1.08	0.01%
TOTAL		100.00%

Permissive Tax Exemptions

Objective

- Optimize the provision of charitable and not for profit services for the benefit of Grand Forks residents.
- Provide property tax exemptions as permitted under the Community Charter in a consistent and fair manner.
- Restrict the provision of exemption to those providing an extension to City services and minimize the impact on City revenues.
- Consider the development of a revitalization tax exemption program as a means of encouraging commercial investment and increasing the availability of housing in the community.

Policies

- Grand Forks residents must be primary beneficiaries of the organization's services and the services provided must be accessible to all members of the public.
- In guiding and approving permissive tax exemptions, Council will take into consideration:
 - Not-for-profit occupiers of City property for the duration of their occupancy.
 - Land and improvements surrounding a statutorily exempt building for public worship.
